Laura Cillo Named COO of West Boca Medical Center

Cillo

Medical

Laura Cillo has been appointed chief operating officer of **West Boca Medical Center** in Boca Raton, responsible for the general operations and departments at the hospital. Cillo has worked for the **Tenet Healthcare** hospital network since 1992, most recently as an associate administrator for St. Mary's Medical Center in West Palm Beach from 2007-10. During that period of time, Cillo was responsible for developing pediatric clinical programs at St. Mary's.
