WEST BOCA MEDICAL CENTER CELEBRATES 25 YEARS OF OUTSTANDING CARE

BOCA RATON, Fla. - February 2011 — West Boca Medical Center is proud to celebrate 25 years of providing outstanding care to the local community. Over the years, the now 195-bed hospital has expanded and advanced to offer a full range of high quality health services for both adult and pediatric populations. In recognition of its anniversary, West Boca Medical Center will host a company picnic for employees on Saturday, March 27, 2011.

“West Boca Medical Center has made tremendous strides over the years and celebrating the 25th year is very exciting,” said Mitch Feldman, CEO. “It’s truly a time to thank employees for their hard work and service, as they have contributed greatly to advancing the hospital into the major medical center that it is today.”

The employee picnic will offer employees good food, games, music and live entertainment with the hospital’s first annual “West Boca Idol” singing competition. Employees will be able to sing their hearts out for a chance to win the “West Boca Idol” title and a special prize.

In addition to the company picnic, West Boca Medical Center will be honoring its dedicated medical staff and group of volunteers with various activities to celebrate the hospital’s 25th year of service. “We want to let our physicians and loyal volunteers know how much we appreciate their commitment to West Boca Medical Center and its patients,” says Feldman.

About West Boca Medical Center

West Boca Medical Center, part of Tenet South Florida, is a 195-bed acute care hospital located at 21644 State Road 7 in Boca Raton, Florida. West Boca Medical Center has been serving the medical and healthcare needs of its community and surrounding areas for over 20 years.

West Boca Medical Center offers a broad array of services, including general medical and surgical care, orthopedics and sports medicine, a robotic surgery program offering minimally invasive surgery for gynecological, urological and general surgical procedures, a state-of-the-art diagnostic imaging center featuring open MRI and digital mammography, cardiac and surgical intensive care, outpatient surgery services, 24-hour emergency services for adults and children, diabetes education, a cystic fibrosis program for adults and children, outpatient rehabilitation services and a specialized sleep diagnostic center with a dedicated lab for infants and pediatrics as well as adults. West Boca Medical Center is also a Certified Primary Stroke Center, and received the 2010 American Stroke Association/American Heart Association's *Get With The Guidelines*-Stroke Bronze Performance Achievement Award, and the *Get With The Guidelines*-Heart Failure Silver Performance Achievement Award.

The hospital also offers several specialties, including a level III neonatal intensive care unit, the BirthCare Pavilion, a pediatric unit and a pediatric intensive care unit. It is also a recipient of the HealthGrades Maternity Care Excellence Award five years in a row (2006-2011). In addition, HealthGrades has ranked West Boca's maternity program among the top 5% five percent in the nation for four years in a row (2007-2011).

The hospital is fully accredited by the Joint Commission on the accreditation of Healthcare Organizations, the nation's oldest and largest hospital accreditation agency.
