Dr. Michele J. Moraes is a board certified dermatologist serving the Boca Raton area for 10 years. Her practice is diverse and she treats the entire family. She specializes in skin cancer screening and treatments, acne, rosacea, psoriasis, hair loss, nail and skin fungus and rashes.

Her expertise also extends to a variety of cosmetic services such as Botox and restylane treatments as well as laser treatments for the removal of hair, sunspots and scars.

"Dr. Moraes allows each patient as much time as they need," says administrative assistant Sanjiv Moraes. "She makes every patient feel they are her only patient."

Dr. Moraes is on staff at both West Boca Medical Center and Boca Raton Community Hospital.

The office is open Monday through Friday from 9 a.m. to 5 p.m.
