### WEST BOCA MEDICAL CENTER

#### ***Martine Vedrine, R.N.***

Martine Vedrine is an Intensive Care Registered Nurse at West Boca Medical Center where she has worked for the past four years serving patients and their families with quality care.

With every patient she sees, Vedrine cares for them as if they are her family member. She makes it a point to personalize care according to the patient's cultural needs and is always upbeat. She is a team player, dedicated and devoted to the nursing profession. Vedrine keeps very busy by volunteering at Bethesda United Methodist Church in Tamarac, teaching Sunday school, is on the worship team and a part of the choir. She bravely led a mission trip this past July to Haiti and assisted with physicals on approximately 155 orphans. Vedrine also participates in various local women's groups focused on helping the sick.

Vedrine has been married for 23 years, has a 21-year old son and 12-year old daughter. She always sees the good in people, and exudes happiness to everyone around her.

#### ***Anne Baker, R.N., ASN***

Anne Baker is an Assistant Nurse Manager in the Emergency Department of West Boca Medical Center. But she is not only a nurse in the emergency department, she is also a mentor, teacher, patient and family advocate and most importantly nurse leader.

She demonstrates dedication to excellence and commitment to the nursing profession; she goes above and beyond expectations. When she is not working in the emergency department, she teaches Basic Life Support, Baby-Saver CPR, Advanced Life Support (ACLS) and Pediatric Life Support for hospital staff.

Baker is enthusiastic and passionate in all that she does and she consistently demonstrates great communication and leadership skills. Her coworkers say that she not only encourages fellow staff members to maintain professionalism, she also facilitates the patient care flow and quality "by knowing almost everything that is going on in the ER." According to the physicians she works with, "she makes things happen quickly and efficiently, and with a positive attitude, she is an outstanding leader and a strong focused charge Nurse." Baker is always willing to lend her support and nursing expertise to staff in need.
